

SCHOOL DISTRICT MISSION
(Comprehensive School Improvement Plan)

The Platte County R-3 School District mission is to prepare individual learners for success in life by providing meaningful experiences in a safe and caring environment.

The district has a Board-approved Comprehensive School Improvement Plan (CSIP) guided by the mission statement and based on the district's fundamental beliefs about teaching and learning. This plan serves as the district's foundation for allocating resources, developing policies and procedures, and selecting and implementing instructional programs designed to raise student achievement.

The CSIP was developed through the combined efforts of Board members, staff, administrators, students, parents/guardians and community members and is ongoing. Goals, outcomes or objectives are provided in sufficient detail to direct the improvement efforts of the district for at least a five-year period. The CSIP is evaluated and updated as necessary.

A copy of the district's CSIP is available in the superintendent's office.
